10 Bible Verses Reveal Most Popular Scriptures for 2022

Distributed on 12/08/2022

Louisville, KY — Today, 10BibleVerses.com revealed the most popular scripture verses of 2022.

Millions of Christians have built a habit of [daily Bible reading](#) for inspiration and wisdom. Some topics and scripture passages gain popularity depending on world events. In 2022, spiritual concerns are sending people back to their religious texts.

10 Bible Verses has been tracking the social shares, topic searches, [Bible verse podcast](#) listeners, and scripture lookups to identify the most re-quoted scripture passages of the year 2022.

The top shared scripture quote this year was John 16:33, where Jesus says:

“I have said these things to you, that in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world.”

“This comes as no surprise as many Bible believers look to God’s Word for peace in times of war,” said Tony Kummer, founder of 10 Bible Verses. “The situation in Ukraine and the dramatic images of war on social media have brought this military conflict close to home.”

There are hundreds of [Bible verses about peace](#) and religious leaders worldwide have urged the faithful to pray for peace in 2022. As Pope Francis lamented in a special prayer service on March 25, 2022, “We have forgotten the lessons learned from the tragedies of the last century, the sacrifice of the millions who fell in two World Wars... Free us from war, protect our world from the menace of nuclear weapons.”
